

Minister of Industry, Energy and Mining of the Republic of Srpska Zeljko Kovacevic said during a visit to the municipality that local economy is extremely important in terms of export and that the government of Srpska would seek to support all projects that come out of this community.

"The Ministry of Industry, Energy and Mines will work to ensure that exporters in these municipalities survive the restrictive European markets, to better position themselves and to create preconditions for further development of export enterprises", Kovacevic said after talks with the mayor of the municipality Kozarska Dubica Nino Jauz. Kovacevic said that during his working visit to Kozarska Dubica with the mayor and his aides discussed the vital issues in the municipality, the economy and the development of business zone "Lipova Greda" and the export progress. He added that they agreed on these issues directions for further action. Mayor of Kozarska Dubica Nino Jauz said that the municipality has the full support of the Ministry since the beginning of realization of the project business zone "Lipova Greda".
