

Municipal Assembly of Kozarska Dubica approved today the decision to grant incentives for new employment in manufacturing companies

.

All production companies that during the year in progress hire more than 10 employees have a right to receive the incentives.

The maximum amount of incentive per employed worker is 2,000.00 KM, with the maximum amount of 100,000.00 KM that can be granted to one company

.

Call for applications for incentives will be published annually in the local media, on the municipal bulletin board

,

as well as on the official website of the Municipality Kozarska Dubica and remains open throughout the year.
